HEALTH
REPUBLIC OF SOUTH AFRICA

JOHANNESBURG HEALTH DISTRICT

Department of Family Medicine, Wits

Wards 10, 11, 12, 13, 14, 15, 16, 19, & 33 (Soweto)

Dear Stakeholder

Chiawelo Community Practice (CCP) is part of the Ward-based PHC Outreach Team (or WBOT) at Chiawelo Community Health Centre (CHC) and a part of National Health Insurance (NHI) and Primary Health Care (PHC) Re-engineering).

Community Health Workers (CHWs) have been visiting residents in their home to register families and do household assessments. A doctor-clinical associate-nurse team at CCP are currently providing registered families in Wards 11, 12, 15, 16 & 19 with ALL health care services daily, by appointment and with a good attitude. CHWs are also involved in many health promotion initiatives. A key element is engaging stakeholders. We are having a stakeholder workshop to engage YOU in building NHI in these wards.

ANNUAL STAKEHOLDER WORKSHOP
Chiawelo Community Health Centre
Corner Chris Hani & Rihlampfu Rds, Soweto
9am-1pm Wednesday 10th May 2016

We will briefly provide reports of progress overall. We will then break up into ward groups to develop health priorities and possible solutions. After feedback to the whole meeting, we will develop overall priorities to take the community forward for 2017.

Contact your Ward Health Promotion Coordinator: W10 (Bonnie - (079) 8773223), W11S (Gundo - (073) 1202447), W12 (Janet - (073) 4832046), W13 (Busi - 072) 2632772), W14 (Lebohlang - (076) 0895045), W15 (Bongelani - (076) 4892399), W16 (Daniel - (079) 4605711), W19 (Sithembiso - (073) 9264935), W33 (Linda - (062) 0157058). Otherwise RSVP with Thuli (011 9840128).

We are linked to Wits University. We also want to you to become involved in Chiawelo Community Practice as a platform of service, training and research for Wits University.

Yours truly,
Prof. Shabir Moosa,
Family Physician (Specialist in PHC)
